

<p>There is no doubt that our comfort zones are being challenged.◆ Now is the time to examine our comfort zones and work on our mindset. I just read that 80% of all lottery winners file bankruptcy within 5 years. Reason being, they were not comfortable with a lot of money.</p> <p>Now is the time to work on our comfort zones. Most of the people who have accumulated wealth in this country did so by buying real estate in "bad" times, not in boom times!!</p> <p>Wanting competent help in buying a foreclosure to start on your path to retirement or wealth?
